

Ideal Size:

4 to 6 women

Ideal Time:

One hour per week for twelve weeks

Ideal Place:

Anywhere you can sit comfortably without distraction

Ask for Specific Requests:

Specific requests get specific answers. As faith increases, prayer increases. Women grow closer to God and He is pleased and glorified.

What we do:

Open with prayer. Ask God to quiet and purify hearts; to guide and answer your prayers (Psalm 46:10; 55:1-2; 139:23-24; Romans 8:26).

Read a Bible passage or Prayer Guide together. Prayer guides on the Names of God are available at www.ABlogOnPrayer.com.

Prayer and share time — first week. Hand out Prayer Group Guidelines. Then, each woman tells what she wants the group to know about her. When she's finished, one person prays blessing on her life. Bring specific requests next week.

Prayer and share time — remaining weeks. Each woman gives specific requests and updates about God's work in her life. As soon as she's done sharing, someone in the group prays for her. You can designate someone to pray, or ask who wants to pray. Include everyone.

End with a prayer of blessing (Numbers 6:24-26).

Record Requests and Answers. Write down requests as they are given. Pray for these things all week. Record answers to prayer.
